Information and Contacts

Personal notes and summaries collected as part of the *Computational Complexity* course offered by the degree in Computer Science of the University of Rome "La Sapienza".

Further information and notes can be found at the following link:

<https://github.com/Exyss/university-notes>. Anyone can feel free to report inaccuracies, improvements or requests through the Issue system provided by GitHub itself or by contacting the author privately:

- Email: bianco.simone@outlook.it
- LinkedIn: [Simone Bianco](#)

The notes are constantly being updated, so please check if the changes have already been made in the most recent version.

Suggested prerequisites:

Basic knowledge of computability theory and algorithm complexity
